Dear Sirs:

Pursuant to the obligations of candor and good faith imposed by 37 C.F.R § 1.56, the documents listed on the attached PTO-1449 are hereby being disclosed within three (3) months of our Express Mail filing date of April 27, 2005. An Official Filing Receipt has yet to be received by undersigned in relation to the subject U.S. national filing, pursuant to 35 USC §371, of Applicant's international PCT application. Furthermore, undersigned transmits herewith, as ATTACHMENT A, an inventor supplied bibliographic listing of "Books" and "Publications and Journals" (three (3) total pages) in keeping with 37 C.F.R. §1.56. References cited in an International Search Report mailed June 14, 2004, see WO 2004/046881 A3, are not further identified in the listings herewith.

It is to be noted that no representation is intended to be made hereby that any of the identified references establishes, by itself or in combination with other information, a prima facie case of unpatentability of any claim of the present case. Furthermore, the transmittal of the subject reference lists is not to be construed that the inventor, assignee, and/or undersigned has read and/or appreciates the teaching of the listed items. Finally, undersigned notes that one or more of the listed bibliographic items of Attachment A may appear herewith as a PTO-1449 listed item.

It is respectfully solicited that the Examiner's consider the cited references, and enter same into the record of the subject application.

Respectfully submitted,

Nathan T. Hayes

By his attorney
